7 of Thailand's Coolest Recording Studios

06/02/2018

2. Studio 28

Designed by TEC nominated studio designer [Jay Kaufman](#), Studio28 represents some of the region's top class studios found in Bangkok. Its control room is adorned with the [SSL Duality 48 Delta](#) coupled with the [Oceanway Custom Speaker](#) as its main equipment. Their prized possession is its live room – a large room designed especially for a 64-piece orchestra with a fantastic reverb time of 1.2 milliseconds; adjustable using its signature movable ceiling panel. Some of the country's most prominent organisations and individuals including the [Siam Philharmonic Orchestra](#), [Burin Boonvisut](#), [Nadao Bangkok](#), and [Warner Music Thailand](#) are just some of the few names associated as partners and collaborators of the studio.
