Cartoon Network Studio B, Burbank, Calif.

The Cartoon Network's Studio B went online in July 2017. Designed by Kaufman and Associates, the studio is approximately 800 square feet and features a 5.1 control room and a comfortabe stage area for recording a cast of voice actors. Control room equipment includes and Avid S6 24-channel console controlling a Pro Tools HDX system, ATC SCM25 LCR main monitors, and BAE Neve 1073 preamps.
